Classroom **Storage**

When it comes to updating classroom storage units, there are so many diverse requirements that it takes something beyond the average range to meet your needs. That's where we can help!

The following pages showcase our unique collection of storage products, from plastic tray storage units through to bespoke fitted systems. In most cases we trust you can find the ideal solution for your needs, but if not, or to discuss your requirements, please call our sales team. We have a wealth of experience and advice, available at absolutely no cost to you.

PLEASE CONTACT US TO CHECK ON CURRENT PRICING AND SPECIAL QUANTITY DEALS

Scooped out base gives extra strength and stability.

The Classtor lid fits perfectly onto the top of the tray.

Classtor Features

Subtle rounding of corners creates a softer feel and touch.

Re-enforced side rib for extra strength.

The Classtor range is available in four different sizes and over 20 industry standard colours. You can be sure that we have something to suit your requirements. Manufactured from 100% polypropylene, these trays are virtually indestructible, shatterproof and will stand up to the rigours of daily use in any learning environment.

This range will fit all standard school furniture shown in the catalogue.

Our trays are manufactured to last but at end of life they can easily be recycled.

Gratnell's Antimicrobial Trays

For greater infection control the trays known for standing up to rigorous daily use are now available with a built-in Antimicrobial protection.

BioCote® antimicrobial protection is introduced to the trays during the manufacturing process to provide built-in protection against the effects of microbes. This means surfaces need no longer rely solely on continual wash-downs to guard against infection

These compact trays are from Gratnells medical range, widely used in the NHS, surgeries and clinics, as well as being fully compatible with Gratnells iconic school storage range found worldwide. Ideal for safe storage of medical, school or first aid equipment.

- 99.9% reduction in surface contamination after 2 hours
- Provides protection from a variety of bacteria, fungi, mould and Viruses including the H1N1 u virus
- Made in the UK and fully recyclable. Guaranteed for five years
- Choose green tint or translucent and shallow, deep, extra deep and jumbo sizes

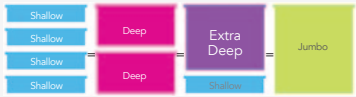
Tray Storage Units Overview

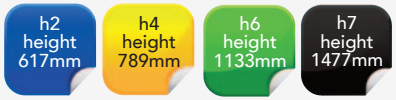
Checklist for Choosing and Specifying Your Unit

1. How many trays do you need?

2. And of what depth? Note that within the price you can specify any mix of depths which will physically fit the unit. 1 x Deep tray = 2 x Shallow, 1 x Extra Deep = 3 x Shallow and 1 x Jumbo = 4 x Shallow.



3. Is there a preferred, uniform, top surface height? Look for the height icon h1, h2 etc which gives the height in mm.



4. How many bays wide for best fit into your workspaces? Units are available in 1, 2, 3 or even 4 columns of trays wide.

5. Carcass design - trays sliding on runners or sitting directly onto a shelf?

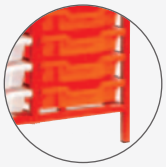
6. Castors or Fixed Plinth? Smaller units are fitted with castors as standard but some items can be specified with a static plinth at no extra cost. Note: heights quoted include height of castors.

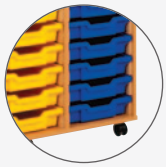
65mm Castors

Plinth

7. Doors – locking doors can be fitted to most units as an optional extra.

8. Wood finish / Metal Frame Colours – Our standard MFC wood finishes are Beech (BE) or Maple (MP) but please ask for details of production order quantities and lead times for manufacturing in Grey, White, or other special finishes. Standard Metal Frame colour options are Silver, Powder Blue & Yellow. See page 86 for colour icons.





9. Select your mix of tray colours (and depths) from the extensive range available – see chart on page 50.

10. For fitted installations see Classtore Modular system on pages 94-95.

Please phone for details and prices

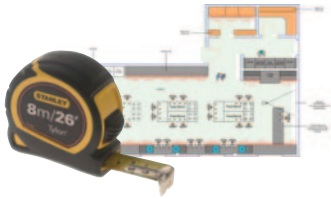

Image Ref. 770200

Teaching Wall

This modular storage solution offers infinite design opportunities for classrooms, offices, boardrooms and community buildings. It has the option of an integrated touchscreen TV or an interactive whiteboard and at the same time it provides multiple storage options.

Teaching Walls can make excellent use of underutilised space at the front of every lecture hall or classroom.

Each unit can feature tray or cupboard storage, shelving, interactive whiteboards, desks, pinboards, or standard whiteboards to creat a flexible resource.

We can incorpoate charging bays for laptops/tablets and conceal any cables within the design. The combinations and colour options are almost limitless.
